

Digital Connection

Elevate Your Online Presence

Program Participants Receive

Access To:

- Laptops
- Software
- Hotspots

Assistance With:

- Social Media
- Web Design
- Web Development

The Digital Connection Program is designed for small businesses owners in the Cincinnati, Dayton and NKY area who were impacted by CoVid-19 and want to improve how they connect with customers online. This program will guide small business owners through how to maximize their website and social media presence. Digital connection is for the small business owner who is ready to take their online presence to the next level!
